

Instructions for Inserting Your Logo Into the Heart Failure Calendar PDF files

Using Adobe Acrobat Professional, you can insert your own logo for co-branding:

1. Open PDF file with Acrobat Professional 6 or later.
2. Open your logo (Photoshop suggested) and copy it.
3. Paste it into the PDF file, and reposition and resize to fit the white box in the lower right-hand corner.
4. Save as a new file.
5. Print with the "document and markups" setting.
